AS AN ACT OF MERCY, WE SUGGEST YOU
TAKE CARE OF ALL YOUR FINAL THINGS.

P.D. and President Johnson's name added.
You prove how Government works Unfair,
to the American people. You try to mess up
Tom Hill Family, that's kind of low, Seneca.
Maybe you should make you feel look Gray.
You fabricated the whole investigation.
President Lincoln Johnson hand-picked you
and the rest of the assassination Committee.
How could one man kill a President of the
States? Mr Spector, Is this the Kremlin's
propaganda.

New Orleans district attorney Tim Garrison
is a Tolly Green Giant. He should be on
the Senate. He was on the right track
until you people, took all his witnesses
and.

Dear Allen Specter. U.S. Senator

5-29-92

After reading the book Crossfire.
I can believe a man of such crooked
nature of yours, has gotten on the Senate.
No wonder the whole Senate and for the
rest of the house is collapsing like a deck
of cards.

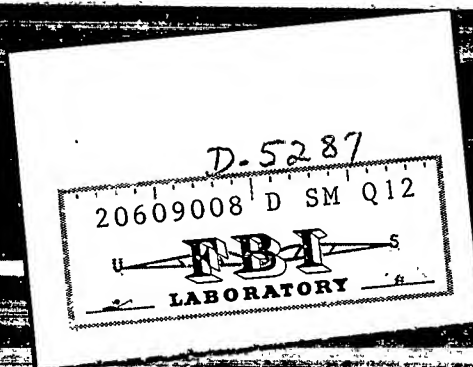

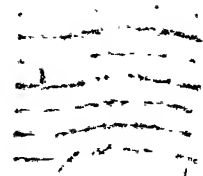

The shocking statement I read in the
book, was the question you ask of Jean Hill
during the Kennedy assassination. My God
Allen Specter you made the American people
to believe there was a conspiracy. You lied
to that poor woman, you wanted her to lie
to cover up the Government, the CIA and
the FBI.

You and the rest of the Warren-
Commission lied and covered the Truth
from the American people. They fed the
American people with the biggest covers
in the history of our country. Maybe you
should try wearing a ghoulish Halloween
mask. If you like covering things from the
American people! Also try eyebrow grease-
paint, and Reddish homemade Wig. After
you done that spectator, see if you could
cover anything else in your body.

I just can not imagine how you
deceive the citizens of this country. The
attitude of you Allen Spector, is let sleeping
dog sleep. But you are wrong.

What really did happen to our young
President J. F. K. See no evil, hear no evil
is that what you are saying A. Spector.
These elements had their guns ready and
their guns loaded. That's ^{their} political
ambition. Please open up the Kennedy
files! We deserve the truth. I hope
your form of Government is not in Danger.
